Subject: Regional ITS Architecture (RITSA) Ready For Use  
2018 Memphis Urban Area RITSA and RAD-IT

Dear Mr. Freeze:

In response to your letter dated February 28, 2019, Federal Highway Administration has reviewed the final RITSA documents for the subject project in accordance with 23 CFR 940. The RITSA documents are in compliance with the CFR requirements, therefore the request is approved and the associated documents are considered "ready for use."

If you have questions regarding this approval, please contact me at (615) 781-5769.

Sincerely,

Melissa Furlong, P.E.  
Operations Program Specialist
