From: Pragati Srivastava, Administrator, Memphis MPO

In compliance with federal regulations 23 CFR 450, the Memphis Urban Area Metropolitan Planning Organization (MPO) is proposing to approve the Livability 2050 Regional Transportation Plan (RTP) Goals and Objectives as well as reaffirm the Socio-Demographic Projections. Additionally, the Memphis MPO will present the 2017 State of the MPO Report, 2017 Bicycle and Pedestrian Report, discuss the Federal Performance Measures, elect a TPB Chair and Vice-Chair, and elect a TPB Representative for the Freight Committee.

The Memphis MPO, through FHWA guidance, believes that continued interaction with the entire community builds support and, more importantly, ensures that the public has the opportunity to help shape the substance of plans and projects. The Memphis MPO strives to enhance the impact of participation on transportation decision-making. In order to accomplish this task, the MPO works to improve the number of stakeholders participating in the transportation planning process through increased opportunities for feedback, improved education regarding transportation planning, and constant evaluation regarding the effectiveness of outreach.

Written public comments will be accepted until Wednesday, February 21, 2018. Comments may be submitted to Pragati Srivastava, Administrator of the Memphis MPO, 125 North Main Street, Suite #450 Memphis, TN 38103 or via email at Pragati.Srivastava@memphistn.gov. The TPB will hold a public hearing to accept oral comments and take action on the proposed items on Thursday, February 22, 2018 at 1:30 PM in the Student Alumni Building at the University of Tennessee Health Science Center, 800 Madison Avenue, Memphis, Tennessee 38103.
