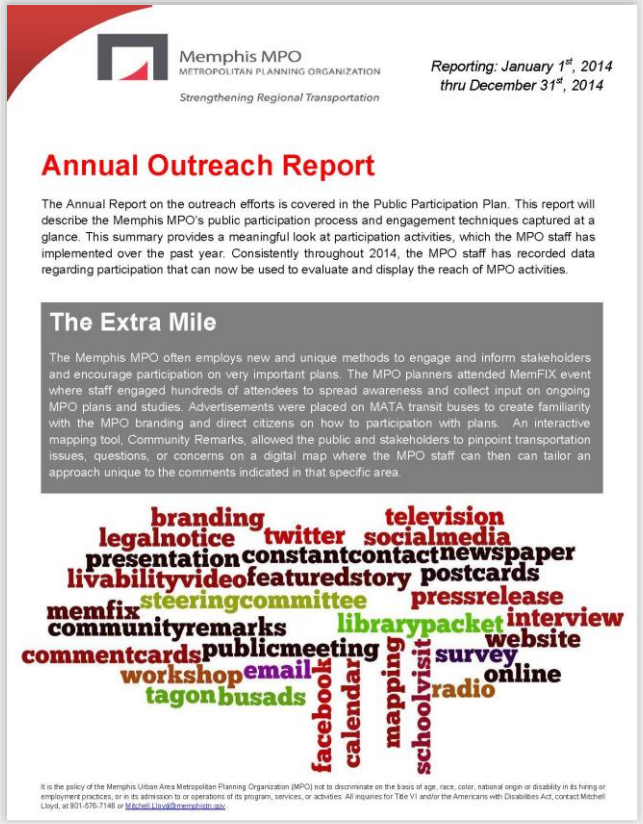
ANNUAL OUTREACH REPORT
(2014-2017)



Memphis MPO
METROPOLITAN PLANNING ORGANIZATION
Strengthening Regional Transportation

Reporting: January 1st, 2014 thru December 31st, 2014

Annual Outreach Report

The Annual Report on the outreach efforts is covered in the Public Participation Plan. This report will describe the Memphis MPO's public participation process and engagement techniques captured at a glance. This summary provides a meaningful look at participation activities, which the MPO staff has implemented over the past year. Consistently throughout 2014, the MPO staff has recorded data regarding participation that can now be used to evaluate and display the reach of MPO activities.

The Extra Mile

The Memphis MPO often employs new and unique methods to engage and inform stakeholders and encourage participation on very important plans. The MPO planners attended MemFIX event where staff engaged hundreds of attendees to spread awareness and collect input on ongoing MPO plans and studies. Advertisements were placed on MATA transit buses to create familiarity with the MPO branding and direct citizens on how to participation with plans. An interactive mapping tool, Community Remarks, allowed the public and stakeholders to pinpoint transportation issues, questions, or concerns on a digital map where the MPO staff can then can tailor an approach unique to the comments indicated in that specific area.

It is the policy of the Memphis Urban Area Metropolitan Planning Organization (MPO) not to discriminate on the basis of age, race, color, national origin or disability in its hiring or employment practices, or in its admission to or operations of its program, services, or activities. All inquiries for Title VI and/or the Americans with Disabilities Act, contact Mitchell Lloyd, at 901-576-7148 or Mitchell.Lloyd@memphistn.gov

2015 Annual Outreach Report

The Annual Outreach Report outlines recent efforts of the MPO is covered in the Public Participation Plan. This report will describe the Memphis MPO's public participation process and engagement techniques captured at a glance through the past year. This summary provides a meaningful look at participation activities, which the MPO staff has implemented over the past year. Consistently throughout 2015, the MPO staff has monthly recorded data regarding participation that can now be used to evaluate and display the reach of MPO activities.

2015 was the year of Livability, with the Regional Transportation Plan in full swing so were the participation efforts around the region. Numerous public meetings spread throughout local communities seeking confirmation of regional priorities and investment decisions. The MPO aimed to show the public how input during 2015 had shaped the foundation of the RTP and its final recommendations for the region. After 20+ meetings and presentations combined, the LIVABILITY 2040 Regional Transportation Plan is complete. The final document in its entirety can be found on the Memphis MPO website at www.memphismpo.org.

The Memphis MPO launched its interactive mapping application in early 2015. The online map allows users to view federally funded projects from the current Transportation Improvement Program (TIP) and the current Regional Transportation Plan (RTP). Projects are displayed spatially which allows users to click on the points or lines to pull up information such as location, description, lead agency, cost, and more.

2016 Annual Outreach Report

The Annual Outreach Report outlines recent efforts of the MPO is covered in the Public Participation Plan. This report will describe the Memphis MPO's public participation process and engagement techniques captured at a glance through the past year. This summary provides a meaningful look at participation activities, which the MPO staff has implemented over the past year. Consistently throughout 2016, the Memphis MPO staff has monthly recorded data regarding participation that can now be used to evaluate and display the reach of MPO activities.

2016 brought new opportunities for citizen interaction along with regular fixtures like the Transportation Improvement Program (TIP). The development of the new FY 2017-20 TIP spurred a cooperative effort with local members to organize region-wide short term investment priorities to formulate a strong plan. The Memphis MPO aimed to include meaningful opportunities to share and educate the local communities of investment decisions. After community and regional scaled meetings and reviews from state and federal partners the TIP is complete and has received all necessary approvals. The final document in its entirety can be found on the Memphis MPO website at www.memphismpo.gov.

The MPO staff conducted in person surveys at the Uptown MATA station to gather information on riders' preferences on Bus Stop Design elements. The purpose of the Bus Stop Design Guidelines is to help the prioritization process to provide comfortable and convenience environment for the rider's experience.

BUS STOP DESIGN SURVEY

47% Percent of surveyed riders who ride MATA at least twice a week

66% Percent of riders whom aware of the MATA's Translor Rider app
