1) Welcome

Ms. Kate Horton welcomed the Active Transportation Advisory Committee (ATAC) members.

2) Coordinated Public Transit – Human Services Transportation Plan

Ms. Keiaron Randle provided a presentation on the Coordinated Public Transit – Human Services Transportation Plan, "Coordinate Mid-South". Ms. Randle provided a background of the plan and an overview of the stakeholder interviews and public outreach that has been conducted. Additionally, Ms. Randle shared three local roadway transit access examples, along with before-and-after images, illustrating recommended pedestrian and transit improvements that will be included as part of the final plan. The draft plan will undergo a public review and comment period from July 24 to August 22, 2025, and the plan is scheduled for adoption on September 11, 2025.

Committee member discussion on the plan included:

> Ms. Kelsey Huse asked if a pedestrian island was considered on the US-64 near Fletcher Trace Parkway example. Ms. Randle responded that the staff would review this recommendation and determine if it is feasible to include it on this roadway.
>
> Mr. Darren Sanders asked if the recommended improvements on Holmes Road were being considered as part of the Holmes Road East project. Ms. Kate Horton responded that the staff would look into it and check with the City of Memphis.

3) 2024 Annual Safety Report

Ms. Sagorika Zannat provided a presentation on the 2024 Annual Safety Report, which is published annually by the Memphis MPO to track and monitor the implementation of the Mid-South Safety Action Plan (SAP). Ms. Zannat shared statistics related to the 5-year crash trends, crash locations, and corridor level analysis that is included within the report. Mr. Torey Sanders provided a demonstration of the Memphis MPO's Observed Crash Dashboard, which can be found on the Memphis MPO's website as part of the interactive web maps.

There was no committee discussion on the 2024 Annual Safety Report.

4) Tennessee Department of Transportation Statewide Transportation Demand Management (TDM) Plan Update

Mr. Matt Meservy and Ms. Savannah Robertson presented on TDOT's Statewide Transportation Demand Management (TDM) Plan, which updates and expands on TDOT's 2017 TDM Plan. TDM is the use of strategies to inform and encourage people to maximize the efficiency of the transportation system, improving mobility, reducing congestion, and lowering emissions. Mr. Meservy and Ms. Robertson shared information related to the planning process, including existing conditions and case studies review, stakeholder involvement, and strategy development. Additionally, draft recommendations were shared, and the next steps to finalize the plan and strategies were discussed.

There was no committee discussion on the TDOT's TDM Plan update.

5) Other Business

Mr. Darren Sanders and Mr. Jim Crook provided an update on the Shelby Farms Greenline extension project. The project will be open to the public soon and is approximately 2.5 miles and will extend from Cordova Station east to Lenow Road. The official ribbon cutting will be included as part of Shelby Farms Park's 15-Year Celebration in the Fall of 2025.

6) Adjourn

The meeting was adjourned at 12:05 PM.
