Dear Mr. Sherman,

The Tennessee Department of Transportation, Division of Multimodal Transportation Resources, is requesting to add funds to new and existing projects listed below in the FY 2023-2026 Transportation Improvement Program for the Memphis Urban Area MPO.

Table with 4 columns: TIP Project #, Total Funds, New Federal Amount, Project. Rows include projects 5307-2023-01, 5339-2013-01, and 5339-2014-01 with their respective funding amounts and descriptions.

The Memphis Urban Area MPO has adopted a resolution to amend its FY 2023-2026 Transportation Improvement Program to include these projects. Enclosed for your review is a copy of the MPO Resolution, TIP sheets, and Budget sheets.

Based on our review of the attached materials, we believe the Memphis Urban Area MPO has followed appropriate procedures and has met all requirements necessary to permit approval of this amendment to the Statewide Transportation Improvement Program and we request your concurrence with this assessment.

Sincerely,

Masonya Osei
