Subject: Amendment to the Statewide Transportation Improvement Program (#5)

Kim:

In compliance with the 23 CFR 450 and Mississippi Department of Transportation's (MDOT) Public Participation Process, we are submitting for your review and approval, the attached amendment to the 2023-2026 Statewide Transportation Improvement Program (STIP).

We have reviewed this request and concur that it meets the requirements of MDOT's and the Memphis Public Participation Plans. In addition, these revisions were presented to the Transportation Commission on January 10, 2023, with full approval. We are submitting the 2023-2026 Memphis TIP for approval and inclusion into the 2023-2026 Statewide Transportation Improvement Program (STIP).

If you have any questions, please contact Tammi Moore at (601)359-9816.

Sincerely,

Tammi Moore
