

Instructions for Participants - Before We Start

- Please MUTE your phone/laptop
- Call in either from phone or laptop, NOT Both
- Make sure that your phone is NOT on HOLD, as this creates background noise
- If taking another call, please leave the meeting and return once your call has concluded
- If you get disconnected, follow the same steps you initially took to join the meeting to reconnect to the meeting
- For the meeting minutes, please type your name and agency in the CHAT BOX
- For those using the call-in option only, please email MPO staff after the call indicating that you were in attendance
- For Q&A, the organizer will call each agency/representative individually to get their input
- We appreciate your patience as we begin using new/alternative meeting formats
