FY 2016-17
TRANSPORTATION ALTERNATIVES (TA) PROJECTS

Engineering and Technical Committee
February 9, 2017
FAST Act requires all TA projects to be funded through a competitive process for active transportation projects such as:

- Pedestrian and bicycle facilities
- Sidewalks
- Other safety-related infrastructure
- Historic Preservation and rehabilitation of historic transportation facilities
- Projects with safe routes for non-drivers

$2,397,508 available federal funds for FY 2016-17 TA for Tennessee and $479,213 for Mississippi jurisdictions

Note: TA funds have obligation term of 3 years, after that the funds expire
PROJECT EVALUATION & SELECTION

- Qualitative Assessment by ATAC
- Quantitative Scoring by MPO Staff
  - Application of scoring criteria previously adopted by ATAC
  - Criteria categories:
    - Benefits to Active Transportation
    - Safety
    - Congestion Reduction
    - Environmental Sustainability
    - Economic Vitality
    - Infrastructure Condition
    - Local Funding Overmatch

- Final selection reviewed by ATAC and ETC, and approved by TPB
